REGISTRATION INFORMATION

Kindergarten Registration Day is the First Friday in May, May 7th. Children who are age 5 on or before September 1, 2010 are eligible for kindergarten. Registration is by appointment. Pre-registration forms will be sent home with current students the first week in March. You may also obtain a form by calling the school at 410-638-4175 or printing one from this website. For anyone who pre-registers, an appointment time will be assigned and mailed to you along with a registration packet.

Complete all information included in the packet and bring the completed packet to your appointed time on Friday, May 7th. Please bring the following documents with you to registration: Birth Certificate, Social Security Card, [proof of residency](#) and [immunization records](#). These documents are required before the student can enter school on the first day. Acceptable proof of residency documents are: a current BGE bill, lease agreement or settlement contract. If you need more information, visit the Harford County Public School website under [registering your child for school](#).

Your child will also need a health physical before school begins. Documents for your doctor to complete are included in the registration packet. Please return completed documents to the Wakefield Office as soon as possible. The deadline for all health forms to be in the office is August 9, 2010.

SCHOOL INFORMATION

On the first day of school, August 30, 2010, kindergarteners will participate in our Gradual Entrance Program. For gradual entrance, children and their parent(s) will attend for only part of the day. A schedule will be sent home prior to the start of school with the time you will bring your child to school on the first day.

The first regular, full day of school for all kindergarten students will be on the second day of school, Tuesday, August 31, 2010. All Harford County Public schools are now on a full day kindergarten schedule. School hours are 9:00 am. to 3:30 pm.

In August, you will receive a letter notifying you of your child's teacher assignment as well as an individual classroom supply list for specific materials that your teacher will need.

The week before school starts, [busing information](#) will be available in *The Aegis* or on the HCPS website. You will need to find the bus stop listed that is closest to your home. The times listed are the start of the bus run. You must be at the bus stop 5 minutes prior to the scheduled pick up time. After the start of the school year, once the bus run settles into its routine, you will have a more accurate pick up and drop off time.

Have a wonderful summer and we'll see you soon!
